

Litteraturfortegnelse

omfattende skrifter af geologisk eller lignende natur og som ved emne, forfatter eller udgivelsessted er knyttede til Danmark og Grønland samt Island

Når intet udgivelsessted er anført, er det København. Årene, hvori skrifterne udkommer, anføres i overskrifterne. Hvor årstal bruges som bindbetegnelse, anføres disse i skrifternes titler.

(List of papers on geology or similar matters which by subject, author or place of publication are related to Denmark, Greenland or Iceland. The place of publication is Copenhagen unless otherwise stated).
